DETAILED ACTION

Election/Restrictions

1. Applicant's election of Fig. 1, directed to claims 1-8 in the reply filed on November 14, 2005 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

This application is in condition for allowance except for the presence of claims 9 to 15 non-elected without traverse. Accordingly, claims 9-15 have been cancelled. It is also noted that independent claims 1 and 6 are not considered to be generic, because these claims have been amended such that they do not read on the embodiment shown in Figures 8 and 9 of the instant application. Thus, independent claim 1 and 6 are not considered generic allowable claims for rejoinder purposes. Independent claim 16 was amended to include subject matter similar to that of claim 7. Thus, claim 16 has been rejoined.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

Claims 9-15 have been canceled.
